

New York Stock Market

New York, Feb. 11.—(P)—A half-hearted rally chipped away at early losses in the stock market today. Declines were still in a majority—some running to around 2 points—but a substantial number of stocks crossed to the plus side.

A moderate amount of business was done with turnover at the rate of 900,000 shares for the full session. The bulk of today's losses were scored soon after the opening bell. Around midday buying interest picked up a trifle and quotations laboriously advanced.

Trading remained largely in the hands of professionals, few of whom seemed anxious to take an aggressive stand in the market. Many plan to take it easy until Congress acts on the president's request for a \$4,000,000,000 tax hike.

Higher prices were paid for Farmworth Television, Illinois Central, American Telephone, J. I. Case, Westinghouse Electric, Owens-Illinois, and American Air Lines.

Nickel Plate led 2 1/2 at one time and American can more than a point. Others trimmed included U. S. Steel, Firestone, Sears Roebuck, Stanley and U. S. Gypsum.

Corporate bonds trailed after stocks. U. S. governments held steady in over-the-counter dealings.

GRAINS, SOYBEANS, LARD MAKE SMALL PRICE CHANGES

Chicago, Feb. 11.—(P)—Grains, soybeans and lard recorded minor price changes on the board of trade today. Although lower most of the session, prices rallied to around previous closing levels in the last hour of trading.

Oats showed more firmness than anything else most of the day. Many traders felt that at current price levels not many oats would come to market, despite large farm stocks. Professional traders confined operations to evening-up transactions as the market will be closed tomorrow.

Receipts were: Wheat 7 cars, corn 165, oats 7 and soybeans 7.

Wheat was 2 cents lower to 1 higher, May \$2.12-\$2.13, corn was 1 cent lower to 1 cent higher, May 66-66, rye was 1 cent higher, May \$1.33. Soybeans were 1/2 lower to 1/2 higher, March \$2.18-\$2.19, and lard

was 7 cents lower to 5 cents a hundred pounds higher, March \$12.17-\$12.20.

Sandy Saddler Is Underdog Tonight In Pep Re-Match

New York, Feb. 11.—(P)—Sandy Saddler a vicious knockout winner over Willie Pep last October, is a surprising underdog in tonight's Madison Square Garden re-match, the first defense of his world featherweight title.

The first Garden sellout crowd since Rocky Graziano fought Marty Servo in 1946, more than 18,500, will watch slim Sandy from Harlem try to prove it was no mistake when he flattened Pep in 2:38 of the fourth last Oct. 29. The pick here is Saddler, probably by a knockout, in less than the 15-round limit.

Pep's loyal Connecticut clients are responsible for the sellout with at least 6,000 from Hartford, New Haven and Bridgeport coming to town with cash to back their opinions. They can't believe that Pep, beaten only once in 135 fights before he met Sandy, was whipped by such a Johnny-come-lately.

Newspaper, radio and television reports to the contrary, they are going heavy on Willie, the pride of Hartford, who was a big 5 to 14 favorite in October.

It's the biggest betting fight in years, according to all reports and a new indoor gate receipts record for the 126-pound class probably will be set.

Illini-Ohio State Game Highlights Big 9 Program

Chicago, Feb. 11.—(P)—League leading Illinois—defeated only by Purdue in seven Western Conference games—will play host to a potent Ohio State team tomorrow in the top attraction of a four-game Big Nine program.

The Buckeyes have won five conference games and lost three and must turn back the Illini to keep their title hopes alive. The return to the lineup of the ailing Dick Schnitker, one of the loop's deadliest shooters, coupled with the offensive sorties of Bob Radiger and Bob Donham provide Ohio State with a pulverizing attack.

The Illini, after playing the Buckeyes tomorrow, still must face Iowa, Northwestern, Michigan and Indiana. Only the Wolverines seem likely to prove a stumbling block for coach Harry Combes' lads from Champaign. Iowa and Indiana will meet the Illini at Champaign. The Illini will face Northwestern in Chicago stadium and Michigan at Ann Arbor.

Against Ohio State, Illinois will be without the services of Burdette Thurlby, sophomore guard, who has been declared ineligible for the second semester.

Minnesota, runnerup to Illinois with six victories and two setbacks, will meet Iowa (1-5) tomorrow in the Gophers' fieldhouse. Michigan now in third place with four wins and two losses, will invade Indiana (2-4), and last place Northwestern (0-1) opposes Wisconsin (1-5) in the opener of a collegiate double-header in Chicago stadium.

Purdue vs Spartans

Purdue travels to East Lansing for a non-conference game with Michigan State.

In the nightcap at the stadium tomorrow DePaul and Loyola will renew their inter-city rivalry. Loyola, winner of 16 games in 19 starts, whipped DePaul, 56-44, in their first meeting this season. It was the widest margin in their feud since Loyola's 13 point victory in 1938. Loyola leads in the all-time series 7-6.

In their admiration for Cadillac's beauty, and its wonderful world-wide reputation for quality and goodness, people sometimes overlook one of the greatest Cadillac virtues of all—its marvelous comfort. To ride in a Cadillac is to experience the supreme satisfaction that can be derived from personal transportation. The person at the wheel is the quickest to sense this—for he is the special beneficiary of Cadillac comfort. He enjoys, of course—in common with the other occupants of the car—the matchless benefits of Cadillac balance and springing and roadability. But he enjoys, in addition, the driving ease of a feather-

light steering wheel; a quick, powerful, responsive motor that knows no counterpart for agility and smoothness; big, dominant brakes that are as soft to the pedal as sponge rubber; and an over-all sure-footedness on the highway that reduces driving strain to the minimum. Somebody has said that, once you have driven a Cadillac, you're unhappy at the wheel of any other car. Certain it is that a ride in a Cadillac—whether as driver or passenger—is the nicest distance between two points! Have you driven a 1949 Cadillac—or ridden in one? If not, you ought to do so. Millermen Warm-Up For Tough Millikin League Tussle Monday

Local fans are given their next-to-last chance to see Al Miller and his Illinois College Blueboys in the Illinois State basketball tournament when they entertain Concordia of St. Louis in a non-conference hardwood tussle.

The Hilltoppers are currently berthed in a tie for top spot on the CCI conference totem pole with the Ill. Western Titans. Each outfit has won five league contests and lost a loner—each team's loop loss has been suffered in the hands of the other. The Titans whipped IC at Bloomington, and the Millermen gained revenge on the ISD boards last Feb. 2 by a 67 to 64 margin.

Concordia Fray A Warm-Up

This fray with Concordia tonight

Remaining IC Cage Card

The IC mentor takes his quintet to Augustana college Feb. 18 for a conference performance, to Carthage Feb. 24 and Elmhurst will travel to Jacksonville for the final loop encounter and last game on the regular season schedule the 26th. of Feb. The Elmhurst fray will be played on the ISD pine.

The Millermen stand a fine chance of coming out top apple in the CCI barrel if they can get past the Millikin crew Monday night. Augustana, Carthage and Elmhurst are not too tough, but then again, anything can happen when five guys start chumking that leather hoop. The papered locals will be right in the thick position if they can come out of this back-stretch drive with a clean slate, and those

is heralded as nothing more than a "bunch" of players who are "in" before they journey to Decatur for a conference game with Millikin. The Millikin bunch is a strong contender in the league and will undoubtedly give Al's lads all they want Monday evening. Ill Wesleyan barely equaled the Decatur crew 70 to 66 in a conference tilt played at Bloomington two weeks ago, which further proves that they

are not going to be a push-over on their home boards for the local col-

Carrollton Takes Ivy Loop Decision From Roodhouse 5

Carrollton—The Carrollton Hawks counted an Illinois Valley case deci-

qually in seeing this strong opponent again in the warm-up tussle with Concordia tonight. With a complete season's record of 13 wins and 5 defeats, the locals are rated the best post-war basketball team that Illinois College has produced.

They dumped Concordia 57 to 42 in their season's opener, and Coach Miller will stick with his same five that did the job last Dec. 3 at St. Louis. He'll start Don Longer and Bill Gross at the forward positions, Bob Murrin at the pivot post, with Bill Shouse and Bob Grove bringing

tion from the Roodhouse quint by a 50 to 36 margin at Carrollton last night.

Boe, Hawk center, was high point man for Carrollton with 14 markers. Henderson garnered 10 tallies for Roodhouse.

Ashland 54-47

Virginia—Sparked by Rogers who was good for 21 points, Coach Cecil McVey's boys took a 54-47 victory over Ashland here Friday night.

Bookkeeper, and the customers were hustled into an enclosed office.

While the two-gun robber stood guard, his companion methodically emptied cash drawers in several teller's cages. The employees and customers then were herded to the vault at the rear of the bank and locked behind an inner door. The robber made no attempt to lock the main door.

despite a determined fourth period rally by the visitors.

Request Congress

For More Space To Store Crops

Washington, Feb. 11. —(P)— Congress got an official request today for more government storage space to handle farm commodities.

Secretary of Agriculture Brannan wrote House Speaker Rayburn asking Congress to restore the commodity credit corporation's authority to buy or build storage facilities. The CCC uses the space to keep the weather and insects from spoiling crops pledged as securities of government loan, or taken over outright by the government under the price support program.

"I cannot overemphasize the importance of this proposal to the welfare of the American farmers in the uncertain periods ahead," Brannan wrote, adding:

"We have recently witnessed an example in which commodities were sold at less than the support level because of inability of producers to obtain adequate storage."

IRISH IMMIGRANTS INCREASE Dublin, Eire.—Irishmen are leaving for the United States by the thousands.

In one recent week nearly 700 of them caught America-bound boats at Cobb and the United States consulate in Dublin reported it has a waiting list of "several thousand" applicants.

Last year 6,872 cut their ties with Erin's green isle for a new transatlantic home. The number of Irish migrants to the United States has increased swiftly since the end of the war.

In 1945, 546 of them went west. Migration climbed to 1838 in 1946 and 5,562 in 1947. Last year's migration list reminded Irishmen of the high tide of migration to the United States in the late 1920's.

POP Goes the QUEEN

By Bob Wade and Bill Miller Distributed by MEA SERVICE, INC.

THE STORY: Assigned to Cottage 15 at a de-luxe resort, John Henry and Sin Conover, quite a few winners, receive an unexpected visit from an armed man, Homer Anglin, soon after their arrival. While dining later, a Queen of Diamonds on which is written "Your deal" is given to John Henry. Anglin appears, fatally wounded, and tells John Henry "You already got it," before he dies. Returning to the cottage, the Conovers find it occupied by Faye Jordan and her luggage moved to Cottage 14, next door, and searched. Mr. Trim, representative of the quick show sponsor, gave permission to move the luggage. Johnny also learns the resort is owned by Mr. Barvelou, who also owns the cafe where the murder occurred.

Rolling back the sleeves of her robe contemplatively, Sin said, "But poor Anglin knew we were wrong—after he saw you. What was he trying to deliver?"

"That's over our heads." He folded back the bedcovers in a neat triangle on each side. "But first Anglin tries to drop off his 'it' here and no luck. Then he tries to give it to Barselou—and gets stopped right at his back door—bang! He gets delicious and thinks he's given something to me. Why me?"

"MAYBE he thought you were Barselou," his wife said. "You've been putting on weight lately."

"No," said John Henry, pointedly ignoring her, "it was probably a mistake. But, mistake or not, Anglin decided to give it to me instead of Barselou."

"That'd be swell—except that you didn't get anything, you don't know what you didn't get and you don't know where it is now." She started for the bathroom. "We'll leave well enough alone. You were the guy who said that."

"Okay, okay. But I notice you've been thinking about it too."

Sin paused with one hand on the doorknob. "Suppose Anglin came up the canyon counting the cottages instead of reading the numbers. That's what I've been thinking."

"Suppose he did. It's dark and it'd be easier than walking up on every front porch."

"You know how some buildings and hotels don't have any thirteenth floors? Cause people are superstitious? So they just skip that number."

"Wait a minute—I see what you mean, Sin—"

"Uh-huh. I'll bet there's no Cottage 13."

"Sure, that's it! Clever girl, honey. That means if Anglin came along counting cottages—and got

Many Morgan county farmers are taking government loans on their 1948 corn crop and many more of them are making arrangements for loans, AAA County Chairman Wallace T. Hembrough said Friday.

"Many producers thought the loan privilege for corn expired on Dec. 31. That date marked the close of wheat, oats and soybean loans. Farmers have until June 30 to apply for a loan on their corn," he continued.

The government loan program has not aroused much interest in recent years, for in most cases the market price exceeded the loan mark, set at 90 percent of parity. But the recent tumble in grain prices which brought corn far below the \$1.42 a bushel loan figure, has renewed interest.

Few Loans In '48
Few loans were completed in 1948, since the returns would be included in the year's receipts for tax purposes. By the close of January there were 147 loans completed on about 112,000 bushels of corn.

"This figure has been more than doubled in the past ten days, the chairman estimated. Altogether there have been 431 applications for corn loans."

Although corn has rallied from its low point, some country elevators were bidding \$1.07 for corn Friday, 35 cents below the loan quotation.

Three Inspectors Busy
Three veteran "sealers" are at work in this county. They inspect and measure cribs and take a sample for grade and moisture determination.

Everett G. Reynolds of Route 5 is in charge of the work in the south end of the county. Albert Neishner of Chapin in the north-west section and Harry Kume of Alexander handles that vicinity.

The corn is graded at the State AAA laboratory in Decatur.

Many of the cribs inspected have been found ineligible for loans. Fifty-seven applications were turned down because the corn was too wet. This is particularly true in cribs 12 feet wide or wider. Permissible standards are only 16% moisture, yet many of the samples ranged around 19 percent.

If the producer so desires, these cribs may be re-inspected after 30 days. Or he may enter into a purchase agreement whereby he agrees to deliver No. 3 corn or better in return for the guaranteed price. Mr. Hembrough pointed out. Completed purchase agreements in this county total 79,277 bushels.

Annual Sign-Up Underway
Community chairmen have been at the county offices this week helping with the annual sign-up. Chairman Hembrough said he hoped most farmers would come in during February to complete 1949 farm plans. This phase of the year's work must be completed by March 31.

Mary farmers from township 14-S and 14-T signed farm plans Thursday and Friday. Assisting community chairmen were: 14-S, Bernard Camm and C. Don Ransdell; 14-T, William T. Casey and Harold E. Hembrough.

Farmers from 14-11 and 15-8 are asked to come to the office either Monday or Tuesday. Community chairman are: 14-11, Richard G. Leavell, George A. Simpkins and Harold Hamel; 15-8, John R. Luby, Harold E. Cockin and Mike J. Weigand.

Meredosa—Kenneth Wilson, athletic director at the Illinois School for the Deaf, will describe the methods of teaching handicapped children at the Methodist Men's Brotherhood Wednesday, Feb. 16, at 7:30 p. m. Refreshments will be served.

The P.N.G. club will meet Feb. 16 with Mrs. John Northrup.

Charles Ferguson was taken to Our Saviour's hospital Friday in the Schaefer ambulance for treatment.

Mrs. Loy, Mrs. Hardwick and Mrs. Little will have charge of the P.T.A. meeting Feb. 14.

City Pioneered In Paving Projects, Hoagland Declares

"Jacksonville was the first city in Illinois to utilize motor fuel tax revenues in connection with special assessments to further local street improvements," Mayor Ernest L. Hoagland declared last night in an address delivered at the Franklin school.

"State officials say that the citizens of Jacksonville have received more benefits for paving considering the local expenditures involved, than have the residents of any other city in this state," Hoagland said.

Speaking to a crowd of more than 150 third ward voters, Hoagland sought support in his campaign for renomination as Republican candidate for mayor in the primary election Feb. 22 by reviewing the civic advancements made during his administration and by pledging a continuance of honest city government in Jacksonville.

Major Henri-Servais, head of the Salvation Army post in this city, introduced Mayor Hoagland at the meeting. "Ernest Hoagland has devoted far more time to the business of the city than most people realize and he has also participated actively in the Illinois Municipal League, serving as a vice-president and a member of the executive council of that statewide organization," Major Servais said in his introduction.

In his second major address of the primary campaign, Hoagland stressed the growth of the city's utilities. "The water and light departments have been expanded to meet the increasing needs of our community, and yet this expansion has been accomplished without any increase in water or electric rates," he said.

"This has been achieved," Hoagland stated, "because we have insisted upon a businesslike administration of your utilities, free from political considerations."

Hoagland also called attention to the fact that in 1946 the last of the city's general bonded indebtedness had been retired, thus bringing about a reduction in the tax rate.

Ivan Ingram, Republican candidate for alderman from the third ward, was introduced.

Entertainment at the Hoagland rally was provided by the Illinois College quartet, Jimmy Gillespie and his Clodhoppers, the Phyllantena trio, and George Fox, who sang three solo numbers.

Farmers' Elevator At Carrollton Has Annual Meeting

Carrollton—The Carrollton Farmers' Elevator had total sales of \$1,187,352.20 during the business year of 1948 according to announcements which were made at the annual meeting and dinner held Wednesday in the Carlton Theater. Of this amount, the net income was \$46,391.93. A part of this sum, \$23,985.95, was returned to the stockholders and the customers in dividends. The elevator paid seven percent on their preferred stock or a total of \$2,107 and two percent on grain purchases and one and a half on merchandise, making the total \$23,985.95.

The speaker for the afternoon program was Floyd Morris, vice president of the I.A.A., who spoke regarding the proposed parity program for farmers. Skeets and Frankie and their gang from radio station KMOX furnished the musical entertainment.
